

Figure 1: Schematic representation of the experimental design. The figure is divided into two main sections: 'Pretest' and 'Main Experiment'. The 'Pretest' section shows a flowchart for 'Pretest 1' and 'Pretest 2'. 'Pretest 1' involves a 'Pretest 1' phase with 'Pretest 1' and 'Pretest 2' conditions, leading to 'Pretest 1' and 'Pretest 2' results. 'Pretest 2' involves a 'Pretest 2' phase with 'Pretest 1' and 'Pretest 2' conditions, leading to 'Pretest 1' and 'Pretest 2' results. The 'Main Experiment' section shows a flowchart for 'Main Experiment 1' and 'Main Experiment 2'. 'Main Experiment 1' involves a 'Main Experiment 1' phase with 'Main Experiment 1' and 'Main Experiment 2' conditions, leading to 'Main Experiment 1' and 'Main Experiment 2' results. 'Main Experiment 2' involves a 'Main Experiment 2' phase with 'Main Experiment 1' and 'Main Experiment 2' conditions, leading to 'Main Experiment 1' and 'Main Experiment 2' results.

Figure 1: Schematic representation of the experimental design. The figure is divided into two main sections: 'Pretest' and 'Main Experiment'. The 'Pretest' section shows a flow from 'Pretest' to 'Pretest Results' (N=100) and 'Pretest Conclusions' (N=100). The 'Main Experiment' section shows a flow from 'Main Experiment' to 'Main Experiment Results' (N=100) and 'Main Experiment Conclusions' (N=100). The 'Main Experiment' section also includes a 'Main Experiment Design' box with 'Main Experiment Design' and 'Main Experiment Design'.

Figure 1: Schematic representation of the experimental design. The figure is divided into two main sections: 'Pretest' and 'Main Experiment'. The 'Pretest' section shows a flowchart for 'Pretest 1' (N=10) and 'Pretest 2' (N=10), leading to 'Pretest 3' (N=10). The 'Main Experiment' section shows a flowchart for 'Main Experiment 1' (N=20) and 'Main Experiment 2' (N=20), leading to 'Main Experiment 3' (N=20). The flowcharts include various steps such as 'Pretest 1', 'Pretest 2', 'Pretest 3', 'Main Experiment 1', 'Main Experiment 2', and 'Main Experiment 3'. The flowcharts also include various parameters such as 'Pretest 1', 'Pretest 2', 'Pretest 3', 'Main Experiment 1', 'Main Experiment 2', and 'Main Experiment 3'.
